

HR Personal Consulting informs: Our behaviour in the face of the Corona Pandemic

Dear clients, candidates, business partners and friends of the company

to anticipate it:
our recruitment efforts continue unabated on a 24/7 basis.

We can guarantee this through a virtual organisational structure, which we have already been implementing for some time.

However, against the background of the uncertain further course of the Corona pandemic and the resulting political recommendations and official requirements, we consider a reduction of travel activities and their extensive replacement by virtual conference facilities to be necessary.

Of course, this does not exclude necessary face-to-face meetings.

On behalf of my team, I would like to extend my warmest greetings to you. Take good care of yourself!
